A diagram of a standard QWERTY keyboard layout. The keys are arranged in rows. The top row includes a dashed box on the left, followed by keys with symbols: @, #, \$,], }, and). The second row includes a dashed box, !, <, >, [, {, and (. The third row includes a dashed box, &, |, *, -, =, +, and two dashed boxes. The fourth row includes a dashed box, a key with a backslash and forward slash, a key with an underscore and hyphen, and two dashed boxes. The right side of the keyboard includes a dashed box at the top right, followed by keys labeled RShift Sticky, RCtrl Sticky, RAlt Sticky, and RCmd Sticky. The bottom right area includes a key labeled SYM held (highlighted with a purple border), followed by two dashed boxes and two keys with downward arrow symbols.

[illegible]

Figure 1 illustrates two keyboard layouts. The left layout is a 4x5 grid. The top row contains a dashed box labeled 'HOST - L7 (Hold LHD - Tab)' followed by four empty buttons. The second row contains five buttons: 'Move→ WEB', 'Move→ DEV', 'Move→ COMMS', 'Move→ RUN', and 'Move→ AUX'. The third row contains five buttons: 'WEB', 'DEV', 'COMMS', 'RUN', and 'AUX'. The fourth row contains five buttons: 'Launch', 'QTerm', 'Term', 'LANG', and a dashed box. Below the fourth row, there are two dashed boxes, followed by a button labeled 'HOST held' (highlighted with a blue border), and two more dashed boxes. The right layout is also a 4x5 grid. The top row contains four empty buttons followed by a dashed box. The second row contains four empty buttons followed by 'Esc'. The third row contains 'Prev Win', 'Focus ←', 'Focus ↓', 'Focus ↑', and 'Focus →'. The fourth row contains four empty buttons followed by 'Move ←', 'Move ↓', 'Move ↑', and 'Move →'. The bottom row contains 'Full', 'Prev WS', 'Float', and two dashed boxes.

ADJUST ADJUST - L9 (Hold NAV + NUM)

The diagram shows a custom keyboard layout for the ADJUST device. The keyboard is split into two main sections. The left section has a top row with 'BOOT' (red), 'RESET', 'BT Clear', 'Out USB', 'Out BLE', and 'Ext On'. The bottom row has 'BT 1', 'BT 2', 'BT 3', 'BT 4', and 'BT 5'. The right section has a top row with 'Ext Off', 'BT Next', 'BT Prev', 'GAME' (red), 'RESET', and 'BOOT' (red). The bottom row has 'Unlock' and five empty keys. Below these are two rows of five empty keys each. At the bottom, there are two dashed boxes with down arrows, and two keys labeled 'NAV hold' and 'NUM hold' in purple.
